

MINFORD MARCS

BAD WEATHER POLICY

If at any time, the school transportation coordinator feels that inclement weather could be a factor at the time the MARCS program would be dismissed, we might need to cancel the MARCS program unexpectedly. If this should happen, the MARCS staff will make every effort to contact the parents. We will have it announced on the radio stations and call as many parents as possible. We realize that this can sometimes cause a great inconvenience to some parents, but the safety of the students is of the greatest concern and we have to make decisions based on that consideration. We apologize for any inconvenience. There will be no MARCS program on the days school is cancelled.

**If our school is on a one hour delay, the morning MARCS program will be CLOSED for the day.
