The Minford Minute *April 3, 2009*

Dear Minford Parents,

If you are thinking we have had a nice Spring Season so far you are not alone. We have been due for some nice weather after the long harsh winter. The spring weather has allowed us to get a few needed outdoor projects accomplished on our athletic fields as well as some general outdoor maintenance. My goal is continued upkeep and maintenance of the grounds for our students. If you are interested in my plans for the facilities, please contact me and I will share my vision.

Please take a minute to read the following information. This will assist you in planning for the upcoming parent teacher conferences, Spring Break and Easter Holiday.

Thursday, April 9, 2009 - Teacher Inservice - NO SCHOOL

Thursday, April 9, 2009 - Evening Parent-Teacher Conferences

Grades K-5

Grades 6-12

Conference Times: 2:00 pm - 7:30 pm

Conference Times: 2:00 pm - 7:30 pm

Believe it or not 33 days of school remain after Spring Break. We will be in session May 26th through May 29th as these are make-up days due to inclement winter weather cancellations. We will conclude our last student day of school May 29th.

Mark Wilcheck
