**PICTURES:** Prom pictures will be taken at the high school from 4:00p.m. - 6:00p.m. on Saturday, May 7 (prior to and during The Grand March Ceremony). Mr. Dodridge will be set up in the Auditoria. This will be your only chance to have pictures taken! If you have an early dinner reservation, we suggest you arrive early to be photographed.

**VIDEO:** John Switalski may be taping the Grand March and possibly part of Prom. Videos/DVD can be ordered that evening from him for \$20.00. After he delivers them to the school, any other orders will be \$25.00.

**GRAND MARCH:** Anyone interested in participating in The Grand March Ceremony must meet in the High School no later than 5:30p.m. on Saturday, May 7, 2005. There will be seating on the gym floor for the Grand March participants to be seated as they finish the march until Grand March is over. The Prom Decision Making Committee is concerned that there will not be an audience for the last participants of the Grand March. In the past many people get up and leave before every one has been through line. The plan is for the March to be completed by no later than 6:15, so plan your reservations accordingly. We have purchased extra spot lights to help in this manner. The Grand March line will be in the hallway by the locker rooms. There will be signs posted as to the path for Grand March. Remember, hundreds of family members, friends, and community members gather this evening to see you at your best and to take pictures. We'll do whatever we can to make the evening one of your best; however, we do need your cooperation during this process. Dr. Dennis Meade will be the Master of Ceremonies of Grand March.

**Food:** A snack buffet will be available at The Prom for your enjoyment. Parents must leave the high school as soon as they are finished taking pictures. The decorations for Grand March are also the decorations for Prom and **must not be removed until after Prom is over!**
