Are Shining Stars

Minford Local School District
Banquet for School Volunteers
April 24, 2001
6:00 p.m.

A volunteer is special!
And that's truly what you are.
In our eyes you always shine
As bright as the night's most sparkling star.

We appreciate the work you've done
More than we could ever say.
Our schools just would not be the same,
Without all your kind and caring ways!
